## About us

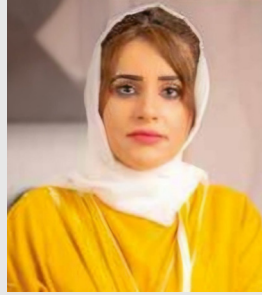

**Manal Alsaidi** Advocates & Legal Consultancy Office is considered one of the professional law institutions working in Sultanate of Oman. The Head Office is located in the Governorate of Muscat. The office founders and team work have got a long experience in public prosecution and business administration.

Our clients are our partners in success and development. We seek to represent them, be they individuals, companies or public institutions, local or foreigners as our long experience, our knowledge and our team's legal and administrative efficiency will be at their service with high quality and distinguished service. Together we find creative solutions for the most difficult legal challenges that we may face.

We contact and work with our clients through direct dialogue also through modern electronic means of communications and scientific methods that enable us to build a consulting base and to help us keep informed about all data, information and backgrounds related to our clients' cases and affairs.

### Founder Message

Our journey tells the story of the success of our company since it was an idea until it became a reality, as one of the largest law firms and legal consultancies in the Sultanate of Oman. We are racing against time and keeping up with developments according to principles and standards that make us the strongest and most distinguished over the years. We are determined to be one of the makers of this noble profession and to preserve its foundations, and to be a pillar of achieving justice internally and externally, in addition to harnessing all our capabilities and expertise to serve our clients who are an integral part of this magnificent edifice.

**Manal Hamed Al Saidi**
